Archives of Gynecology

Founded in 1870 as "Archiv für Gynaekologie". Vols. 1–115 (1870–1922) published by August Hirschwald, Berlin; Vols. 116–175 (1923–1944) published by Springer, Berlin. As of Vol. 176 (1949) published by J. F. Bergmann, Munich. Edited by K. Credé (Vols. 1–41), Spiegelberg (Vols. 1–18), A. Gusserow (Vols. 24–77), G. Leopold (Vols. 42–94), E. Bumm (Vols. 78–123), K. Franz (Vols. 124–129), A. Döderlein (Vols. 130–172), H. von Peham (Vols. 130–142), R. Meyer (Vols. 130–167), G. A. Wagner (Vols. 143–175), H. Martius (Vols. 176–201), C. Kaufmann (Vols. 176–229), K. G. Ober (Vols. 190–238), H. A. Hirsch (since Vol. 210), F. E. Loeffler (since Vol. 226), H. Ludwig (since Vol. 230), H. Wulf (since Vol. 230). Since 1922 (Vol. 117) "Archiv für Gynäkologie" has been the organ of the Deutsche Gesellschaft für Gynäkologie und Geburtshilfe. As of Vol. 226 (1978) published under the English title "Archives of Gynecology".

Copyright. Submission of a manuscript implies: that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review, or thesis); that it is not under consideration for publication elsewhere; that it is publication has been approved by all coauthors, if any, as well as by the responsible authorities at the institute where the work has been carried out; that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of the copyright to the publisher; and that the manuscript will not be published elsewhere in any language without the consent of the copyright holders.

All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article (e.g., as offprints), as well as all translation rights. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission from the publisher.

The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special Regulations for Photocopies in the USA

Photocopies may be made for personal or in-house use beyond the limitations stipulated under Section 107 or 108 of U.S. Copyright Law, provided a fee is paid. This fee is US \$ 0.20 per page, or aminimum of US \$ 1.00 if an article contains fewer than five pages. All fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0170-9925, the volume, and the first and last page numbers of each article copied. The copyright owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, specific written permission must first be obtained from the publisher.

Other Regulations

Authors publishing in this journal can, under certain conditions, benefit from library and photocopy fees collected by VG WORT. Authors of German nationality and those resident in the Federal Republic of Germany or Berlin (West), as well as citizens of Austria, Switzerland and member countries of the European Community may apply to Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed information.
